

Decatur County Girls Softball Association

Dear Sponsor,

We are currently seeking sponsors for this season. With the sponsorship, you will provide uniforms for these girls, shirt with your 2 color logo.

In our continuing efforts to keep sponsorship cost down, and given today's struggling economy, we have decided to reduce the cost. We are offering "**The Early Bird Program**" to all of our sponsors. If you will make an early commitment to be one of our proud sponsors we will offer to you a discount listed below.

Below are the options and discounts available if you would like to sponsor. This is a great way to advertise at a terrific price. Commit early and send this form along with payment in by April 6th. Please don't miss the best advertising opportunity in Decatur County.
